

**Local Government Transparency Code 2015**

**GRANTS TO VOLUNTARY, COMMUNITY AND SOCIAL ENTERPRISE ORGANISATIONS**

Local authorities must publish details of all grants to voluntary, community and social enterprise organisations. This can be achieved by either:

- Tagging and hence specifically identifying transactions which relate to voluntary, community or social enterprise organisations within published data on expenditure over £500 or published procurement information; or
- By publishing a separate list or register.

For each identified grant, the following information must be published as a minimum:

- Date the grant was awarded;
- Time period for which the grant has been given;
- Local authority department which has awarded the grant;
- Beneficiary;
- Beneficiary's registration number (where applicable);
- Summary of the purpose of the grant; and
- Amount.

**Lancing Parish Council publishes this information as a separate list, as below.**
